## **EXECUTIVE SUMMARY**

In March 2016, the CCG Governing Body approved the Integrated Business Case for the Epsom Health and Care integration programme.

The presentation to be made today summarises:

- Progress made since approval of the business case
- The status of the legal and procurement framework in relation to Epsom Health and Care i.e. the collaboration agreement between the parties, Host Provider Agreement between the CCG and Epsom and St Helier University Hospitals NHS Trust (ESUHT), link to the wider CCG/ESUHT contract, and Most Capable Provider assessment of Epsom Health and Care by the CCG
- Next steps and timescale for reporting initial outcomes to the CCG Governing Body

**Date of paper**
