Development: The register is developed through consultation with Governing Body members who are asked to validate it on a regular basis.

Executive Summary and Key Issues

All Members, members of the Governing Body, Practice Representatives and employees of the Group must comply with the Group's arrangements for managing actual or potential conflicts of interest including the Conflicts of Interest Policy (included as Appendix H of the CCG's constitution and available on the Group's website at www.surreydownsccg.nhs.uk). The Group recognises that a conflict of interest, or perceived conflict of interest, both in its role as a commissioner of healthcare services and as an NHS Body with a general duty of good governance, is a key risk that requires careful management and handling whether this is a direct or indirect conflict, pecuniary or otherwise.

This register is kept under active review by the Audit, Risk and Corporate Governance Committee as part of its monitoring of the system of internal controls.

Changes to members entries

James Blythe is a new entry on the register and has declared no interests.

Gavin Cookman no longer has any interests in Diabetes UK but has declared a new interest in Comparison Creator Ltd. Private consultancy (Cookmansulting) has now also ceased.

Mark Hamilton's entry has been corrected in terms of his clinical directorship at St Georges from "urgent care" to "critical care".

Dr Wali's entry has been updated to include the fact that he is a partner at Fairfield Medical Centre.
