Purpose of Paper (tick one only):		
For information only (to note)		<input checked="" type="checkbox"/>
Requires discussion and Feedback		<input type="checkbox"/>
For decision		<input type="checkbox"/>

Executive Summary:

The Primary Care Committee that was due to take place on Friday 11th September was cancelled.

The last Primary Care Committee took place on Friday 12th June 2015; the main item for discussion was the Primary Care Standards agreement for 15/16. Input was given from the Chair (lay member) and two out of area GP's. Sign Up Contracts have now been received from most Surrey Downs GP Practices.

The Primary Care Committee structure is under review along with the other committees that take place at SDCCG, the next PC Committee will take place when this has been decided.

Compliance section

Please identify any significant issues relating to the following areas. Do not leave any boxes blank – if there are no compliance issues please state “no known issues”.

Risk Register and Assurance Framework	No specific issues
Patient and Public Engagement	No specific issues
Patient Safety & Quality	The committee oversees issues relating to primary care standards
